### About MHCC

The Mental Health Coordinating Council (MHCC) is the peak body for non-government mental health community-managed organisations (CMOs) across New South Wales (NSW). MHCC has over 100 voting member organisations which provide a diversity of psychosocial and clinical services. MHCC advocates recovery oriented and trauma informed practice and works closely with its members and other stakeholders to build capacity and improve mental health service delivery to people with lived experience of mental health conditions, their families and carers in NSW.

MHCC takes a leadership role in advocating the vital importance of the mental health community managed sector. We participate extensively in policy reform and work in partnership with State and Commonwealth Governments to build cross-sectoral collaboration and understanding.

We initiate, manage and conduct research and sector development projects on behalf of and in partnership with the sector and build capacity through partnerships, collaboration and workforce development.

MHCC is a Registered Training Organisation (RTO) providing accredited and non-accredited courses and professional development to community sector workers and other stakeholders.

### MHCC's Vision

*People with lived experience are the drivers of positive change in all mental health services and mental health reform*

### MHCC's Purpose

*To build the capacity and ability of community organisations to support people on their recovery journey*

### MHCC's Underlying Principles

- Good mental health is about the whole person: their psychological, physical, emotional and spiritual needs
  - Service user input is central to the promotion of mental health and the delivery and management of services
  - Communities need to provide a diversity of mental health services designed to meet local needs
  - An across-government and sector approach to mental health promotion and service delivery is required
- 

### About the Role

The Trainer and Assessor delivers accredited and non-accredited courses and professional development training to a wide range of participants within NSW and across Australia. They are responsible for delivering training and undertaking assessments which comply with RTO standards and MHCC's values and aims.

The Trainer and Assessor forms part of MHCC's Learning and Development (LD) team.
