

EXPRESSION OF INTEREST

SOUTH EASTERN SYDNEY RECOVERY & WELLBEING COLLEGE

Casual Contract Recovery and Wellbeing Peer Educators 2022

The SESR&WC is a leader in providing recovery orientated education to people who experience mental health concerns, carers and staff of the SESLHD. The college provides co-produced education that promotes wellbeing and recovery in a co-learning environment.

We facilitate over 30 courses each term across Eastern Suburbs, St George and Sutherland as well as online. We provide a comprehensive training program for our educators to build their knowledge and skills in the mental health education domain as well as helping to strengthen pathways to further education and employment.

For more information regarding the college, courses and current timetable please view here:

<https://www.seslhd.health.nsw.gov.au/recovery-wellbeing-college>.

The South Eastern Sydney Recovery & Wellbeing College (SESR&WC) is seeking people with personal experience of:

- mental health concerns or distress, including suicidal crisis and/or
- carers

to work in collaboration with Clinical Educators to co-write and co-facilitate courses across the South Eastern Sydney Local Health District (SESLHD).

Recovery and Wellbeing Educator (Peer) Duties

As a Recovery & Wellbeing Educator (Peer) you will be required to undertake the following:

- Work in partnership with a mental health clinician and Recovery & Wellbeing College staff to ***co-write and/or co-facilitate*** courses
- Attendance at regular meetings and additional consultations as required
- Provide regular progress updates to the Education Coordinator
- Attendance at the Recovery & Wellbeing College Educator Training Program courses (RPL available)
**Please note attendance at this training is strongly encouraged, however it is not compulsory. Payment is not provided for attendance at these training sessions.*

Criteria for Recovery & Wellbeing Educators (Peer)

1. Personal experience of mental health concerns/distress/suicidal crisis, and/or as a carer; and the ability to use lived experience in education as a learning process for others
2. Experience in writing and/or facilitating education
3. Solid understanding of and commitment to mental health recovery and social and emotional wellbeing philosophy
4. Ability and willingness to work in collaboration with other team members, including Clinical Educators
5. Strong verbal and written communication skills
6. Ability to manage own time effectively and work to a deadline
