

# ACI Mental Health Network Innovation Showcase

29 May 2024

# Trauma Informed Care

## Save the Date

### Overview

The ACI Mental Health Network Innovation Showcase for 2024 will focus on Trauma Informed Care. It will be an online event hosted on **29<sup>th</sup> May 2024**.

We encourage teams to come together within their local districts, share the day and learn and collaborate. There will be a component of the day with shared participation in activities.

The event is an opportunity to highlight innovative work in Trauma Informed Care across the mental health sector in NSW. Mental health staff are invited to share their work.

### Audience

The showcase is targeted to members of the ACI Mental Health Network. This includes mental health clinicians, managers, peer workers and consumer representatives, and other key partners.

### Registration

Registration information will follow and is required for online attendance.

In the meantime, add the Save the Date to your calendar (*open the attachment in the email and click save and close*).

Expressions of Interest for abstracts to present your work will open 1<sup>st</sup> February and closes 1<sup>st</sup> March 2024. Information will follow.

### Call to Action

Organise a local hub where you can participate in the Trauma Informed Care Innovation Showcase and invite your colleagues to join you in-person on the day.
