

Your invitation

Carer Gateway Spotlight: Aged Care - Reaching beyond

Who is it for and Why should I come?

If you care for an older person or you work with the elderly, come along to explore the many free programs and services that are designed to help carers and older people live good lives. Meet other carers and connect with experts in the field of healthcare and support services.

What is a Carer Gateway Spotlight event?

The Carer Gateway Spotlight Sessions are free community forums held every three months, with a focus on areas of interest for carers and access to advice and resources. Hosted by Your Side Australia, a registered provider of the Carer Gateway program.

For more info about Carer Gateway call: 1300 134 332
